NEWSLETTER - WINTER 2020

Catch up....

Wow ! Is it June already ? What a year it has been for us all so far, the Global pandemic known as Covid-19 has had a massive impact on the lives of everyone. Travel bans and social distancing have been the 'new normal' for most. People have lost jobs, businesses have closed and life as we have all known it has ceased to exist. We have all learnt to wash our hands and to disinfect our workplaces, to not take anything for granted anymore and to truly appreciate the world that we are all privileged to be a part of. We have all learned to be patient and re-connect with each other again on a different level now and hopefully once this is all over, it will be a stronger and cleaner world for us all to live. We have all learned to be patient and re-connect with each other again on a different level now and hopefully once this is all over, it will be a stronger and cleaner world for us all to live in !

'Wherever you go – we go !'

Even a Tiffin Motorhome learned how to take Covid-19 precautions !

Here at Tiffin Motorhomes Australia, the impact of Covid – 19 has not been missed, whilst we have been fortunate to continue business right through the pandemic, our American colleagues have not been as fortunate with several closures of the Tiffin factory causing many delays in production. The knock on effect of suppliers feeling the impact has caused issues with parts supply, freight and personnel being just a few. As winter begins here in Australia, restrictions are slowly being lifted and the outside world is starting to beckon again. With no overseas travel looking likely for at least the rest of the year, the enquiry level for Tiffin Motorhomes has increased considerably with many people considering a life on the road touring around our beautiful country being quite high on the priority list. Because a Tiffin Motorhome is a genuine 'no compromise' alternative to luxury apartment living, it's an attractive option for many who have no desire to ever be cramped up in the back of a vehicle meant for the odd overnight stopover; hot showers can be had in the comfort of your own luxury

bathroom suite, the previously unpleasant activity of doing ones' business can be done as if it were in your own house with no need to draw straws as to who is going to have the unpleasant task of emptying the toilet cassette and cleaning it. Cooking becomes a pleasure again instead of being a nightmare and above all, because of the comfort and liveability that a Tiffin Motorhome offers, the rest of life is left to be enjoyed, with a different view every single day... life is too short, why not get out there and live it today as tomorrow is not promised to anyone.....

Farewell Alex !

This Autumn saw the departure of Alex Rees-Hyde from our team. Alex was here for a lot of years and many of you may remember Alex for his professionalism and his knowledge and enthusiasm of 'everything Tiffin'. Alex has chosen to follow his dreams now and to take his own personal journey of discovery and we wish him all of the very best for whatever the future holds for him !

Bon-voyage.....Alex Rees-Hyde

WelcomePaul Wilding

Alex left some big shoes behind and his replacement, our newest member of the team; Paul Wilding has assumed the position of Sales & Marketing manager for Tiffin Motorhomes Australia. Paul brings to the team over 30 years of experience within the automotive industry and has seen it all from almost every angle. His professional approach and meticulous attention to detail is sure to be a huge asset to the Tiffin family and we look forward to working with him in the future.

Paul can be contacted directly on 0421 157 722 or email: paul@tiffinmotorhomes.com.au should you have any questions or just want to call up and say hi !

Welcome new Tiffin owners

Angela & Michael...

This past Autumn saw the highly anticipated arrival of the very first MY2020 model Tiffin Allegro Breeze 33IBR motorhome. Angela & Michael from Victoria were the first to snap this beauty up after placing their order in July 2019 for a stunning custom colour scheme 'Waterfall' ticking almost every option box. I am sure it was a very long six month wait for them. They took delivery in mid March and after a brief preparation period, took off on the first of what I am sure will be many journeys to follow.

Mari & Chris...

The next 2020 Breeze in the ever popular 'Sierra Mist' colour scheme was acquired mid April by Mari & Chris from the ACT. Mari & Chris are long term travellers who wanted to upgrade to a 'proper' motorhome after living and travelling in one of our nearest competitors' vehicles. The 'chalk and cheese' differences between a converted light truck and a 'purpose built from the ground up' motorhome was a no brainer for them and they continue to enjoy the daily benefits of their new Tiffin lifestyle.

'Roughing it smoothly !'

Dawn & Terry & "Sierra Mist"

Dawn & Terry ...

Dawn & Terry from Victoria were next, their new 2020 Breeze also in 'Sierra Mist' and optioned with the 'workstation' layout, extensive list of options and a brand new tow vehicle behind it was handed over to them in late April. Border controls caused some issues but we worked through it, unfortunately for them though the Covid-19 travel restrictions had an impact and so far they have been unable to really get out and enjoy it. Hopefully as this newsletter gets out into cyberspace, they will have begun their journey's and we look forward to hearing of their travels.

Congratulations...

Last month was a big month for us here at Tiffin Motorhomes Australia, with our last 2 remaining new motorhomes; 'Gold Coral', 'Sierra Mist' and one demonstrator 'White Mahogany' being snapped up by astute buyers and another very special customer ordered motorhome arriving and being built as I write.

I look forward to introducing them all to you next issue, but for now, the entire team here at Tiffin Motorhomes Australia congratulates and wishes Angela & Michael, Mari & Chris and Dawn and Terry all the very best in their travels around our beautiful country, we welcome you all to the Tiffin family and look forward to being a part of your adventures in the future. best in their
