MOTORHOMES  
AUSTRALIA

## NEWSLETTER - SPRING 2020

Well here we are....Spring has sprung again and I am sure that we are all looking forward to some warmer weather. What a crazy Winter is was ! From lockdown to freedom and to parts of our country being in lockdown again, it certainly has been a season we will never forget and one that will have changed us all forever !

Here at the home base of Tiffin Motorhomes Australia on the beautiful Gold Coast we have been extremely lucky throughout this pandemic in the fact that we haven't had a lockdown so far and life for us all here has been relatively normal, with just the social distancing and some compliance issues to deal with..... fingers crossed this continues. Many of our southern based Tiffin owners have not been so lucky unfortunately and our thoughts are with everyone that is currently feeling the major effects of the current lockdowns.

The overseas travel bans and border restrictions have seen many Aussies look towards travel domestically and the Caravan & RV industry in general has seen a huge increase in enquiry and demand. Here at Tiffin Motorhomes Australia, things have been incredibly busy with motorhomes being snapped up within weeks of availability. It has been a constant game of catch up to try and fulfill the demand for premium motorhomes that provide a genuine alternative to luxury apartment living - on wheels!

As far as our news goes, the end of July saw the departure of Jai from the team, off to do some travelling himself – we thank him for his efforts and wish him all the best ! We also welcomed three new people to the production team; Steve, Aiden & Matt bring a range of skills and experiences to compliment our final build production process under the guidance of highly experienced Ash; our production team and workshop manager.

Murray, took off to Tiffin HQ in the USA in early July to keep a close eye on production and to catch up with plans for the future. Co-incidentally, the MY2021 vehicles are now in production and whilst it was too early to see a completed vehicle with all of the MY21 changes, we can tell you that some of the factory changes coming are; ESC (electronic stability control), incorporation of the auto levelling system into the digital instrument cluster, replacement of the 'Solafina' décor package with 'Dior', a recessed cooktop and 'counter matching' cooktop cover, redesign of the wardrobe to be able to incorporate the fitment of a washer / dryer combo. machine.

We also decided upon our standard range of 6 colourschemes for the MY2021 models and those colours are; 'Sierra Mist', 'Desert Storm', 'Waterfall', 'Gold Coral', 'Snowy Mountain' and 'Silver Sand'.

Some local changes that we have planned to be able to incorporate into our 'final build' are an improved 'off grid' power supply system and upgrade option, addition of interior options such as extra downlighting, strip accent lighting and macerator toilets are but a few of the options available.

In conclusion....it's all happening here and the next evolution of Tiffin motorhomes will take things to the next level !

At the end of this newsletter you will find a summary of the interior options and the standard colours for the 2021 model Tiffin Allegro Breeze 33IBR. There is a new brochure for 2021 in production right now and once it is finished I will send it out to you all ! Until then, if you are remotely interested in acquiring for yourself what is undoubtedly the finest 'A class' motorhome on the Australian market from one of the best motorhome manufacturers in the world, contact us now for more information. We look forward to hearing from you soon and assisting you with your dreams !

***Roughing it smoothly ! Wherever you go – we go !***

## Welcome new Tiffin owners

### Louisa & Jeff...

Jeff & Louisa are no strangers to Tiffin motorhomes having previously owned an earlier model Allegro Breeze.

The sale of their last Tiffin motorhome left a void in their lives that just had to be filled and the stunning 2019 Allegro Breeze 331BR 'White Mahogany' demonstrator was the vehicle they chose to get back on the road.

After a month or so of preparation they they are now 'on the road' heading up to North Queensland to finish up the Winter and enjoy their

Louisa couldn't make it, but here is Jeff & Murray 'bumping elbows'

Murray handing over this very special motorhome to Sharon & Glenn !

***'Roughing it smoothly !'***

### Sharon & Glenn...

In the middle of June, Sharon & Glenn took delivery of their long awaited brand new 'custom' colour scheme Allegro Breeze 331BR. Very eagerly anticipated and built to the highest of specs, once completed, this turned in to probably the most unique and stunningly special Tiffin motorhomes ever built in Australia.

Within two days of handover Sharon and Glenn took off to Far North Queensland for a well deserved break and a month long adventure in luxury !

## Courtney & family ...

The end of June saw Courtney visit our dealership and after viewing all of our stock he fell in love with the stunning, pre-owned 2017 Allegro Breeze 'Nasa' 32IBR motorhome and had to take it home !

Running a big business leaves little time to relax so Courtney plans to take off with his wife and son on an extended family holiday for a few months.

Courtney, Murray & 'Nasa'

## Heather & Theo...

Heather and Theo were frequent overseas travellers until Covid-19 hit and travel bans were put in place.

Looking for a good alternative way of travelling domestically they were told about Tiffin motorhomes by a friend. After a few phone calls, many emails and videos, they decided upon the gorgeous brand new MY 2020 'Sierra Mist', selected a fantastic bunch of options and headed up to Qld in mid July for their handover.

A couple of days later they took off on their 5,000km return journey home to SA via the NT to avoid any issues with borders in NSW.

No mean feat for first time motorhomers ! Well done to you both and we look forward to seeing you again soon.

Heather, Theo & 'Sierra Mist'

## Lyn & Barry...

The stunning brand new Allegro Breeze 33IBR 'Gold Coral' was snapped up within a week of its arrival here !

Gold Coast locals; Lyn & Barry were the lucky new owners looking to upgrade and travel in a bit more style & comfort.

Optioned to the hilt, Lyn & Barry took delivery in late July and soon after took off on a mini adventure to get used to everything !

Barry (driving) and Lyn as passenger heading off In 'Gold Coral' !

## Wrap up...

Winter was an extremely busy season for us here at Tiffin Motorhomes Australia, in addition to all of the above recent Winter handovers, five more brand new motorhomes have been sold with handovers scheduled up until Xmas 2020.

I look forward to introducing them all to you next issue, but for now, the entire team here at Tiffin Motorhomes Australia congratulates and wishes Louisa & Jeff, Sharon & Glenn, Courtney & family, Heather & Theo and Lyn & Barry all the very best in their travels around our beautiful country, we welcome you all to the Tiffin family and look forward to being a part of your adventures in the future. best in their travels around our beautiful country, we welcome you all to the Tiffin
