33 IBR

6 seat / 6 sleep 'Booth Dinette or 4 seat / 4 sleep 'Workstation'

The MY2021 Tiffin Allegro Breeze 33IBR is available in 2 floor plans only.

The very popular 'Booth Dinette' layout has a legal seating capacity for 6 people.

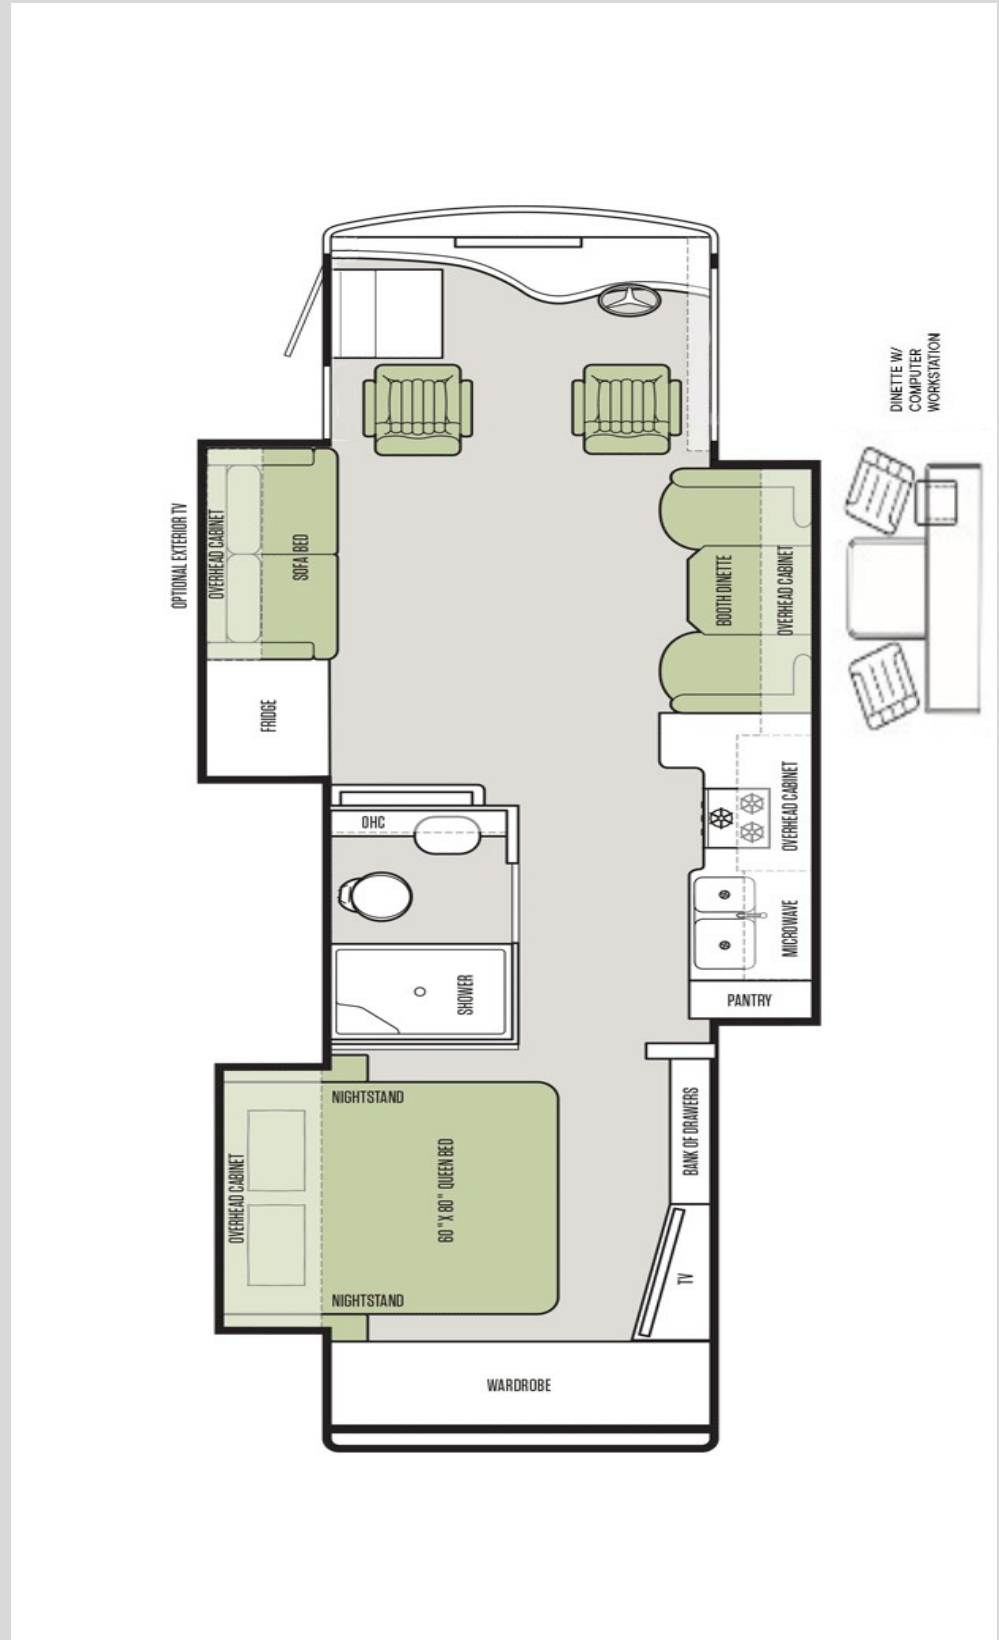

It has a fixed queen size master bed with storage under, a queens size sofa bed in the living area with an air pillow top mattress and the booth dinette table lowers to form another comfortable double berth.

The 'Workstation' layout is designed to suit those empty nesters that choose to work 'on the road'.

Whilst the master and sofa bed remain the same, the booth dinette changes and becomes a pull out table with extra cupboard and computer storage.

Two 'non fixed' dining chairs are supplied with a couple of spare folding chairs for guests.

Legal seating capacity is limited to just 4 people only.

FREQUENTLY ASKED QUESTIONS

1: How long does it take from time of order to 'handover' of my new motorhome ?

The usual 'lead time' from contract signing / deposit payment to handover is appx. 6mths

2: Six months is a long time to wait, will I receive regular updates and photos on progress ?

Yes, once your order is 'in the system' you will receive regular weekly updates usually on a Friday, wherever possible, photographs will also be provided.

3: What happens if I change my mind or have a change of circumstance and need to cancel my order ?

Ordinarily cancellations are not accepted and will incur a penalty fee equivalent to 10% of the contract price.

4: Am I able to change specifications of my order once it has been placed ie: colour scheme, décor etc ?

There is a time window prior to production start where changes will be permissible. Once the motorhome build has been commenced, the only changes permitted will be to the 'final build'.

5: Does a new motorhome come with a Warranty ?

Yes, your new motorhome comes with a comprehensive Limited Warranty, there is a detailed warranty summary available upon request.

6: What are 'on road costs' and how much are they ?

On road costs vary from state to state, they comprise of a Registration fee and Government Stamp Duty. As a guide CURRENT Qld. pricing for 12mths rego is \$1,115 pa and 3.5% Duty (Contract Price)
